Instructions:

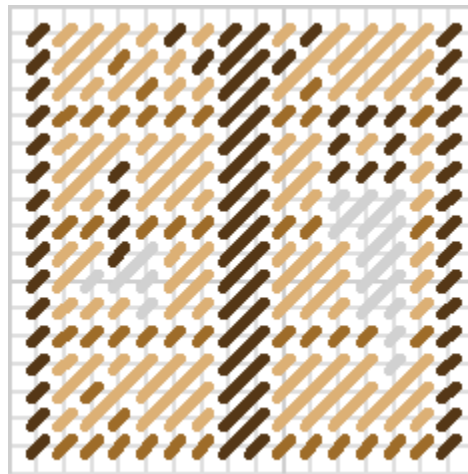

1. Cut and stitch the pieces according to the patterns.
2. Using dark brown, whipstitch the four sides of the crafting table together. Note: the sides should alternate: pliers > hammer and saw > pliers > hammer and saw > pliers.
3. Whipstitch the top onto the sides. Note: the handles of the tools should be near the top as though they are hanging.
4. Whipstitch the bottom onto the rest of the block.
