## Instructions:

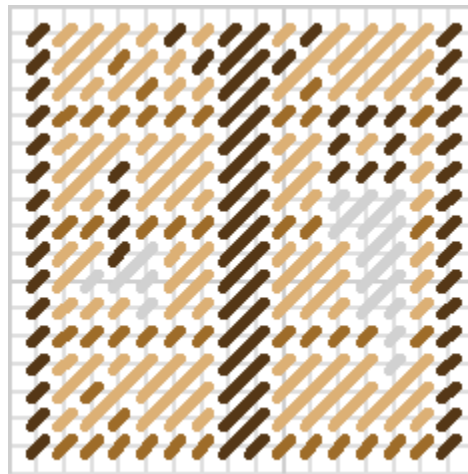

1. Cut and stitch the pieces according to the patterns.
2. Using dark brown, whipstitch the four sides of the crafting table together. Note: the sides should alternate: pliers > hammer and saw > pliers > hammer and saw > pliers.
3. Whipstitch the top onto the sides. Note: the handles of the tools should be near the top as though they are hanging.
4. Whipstitch the bottom onto the rest of the block.

## Patterns:

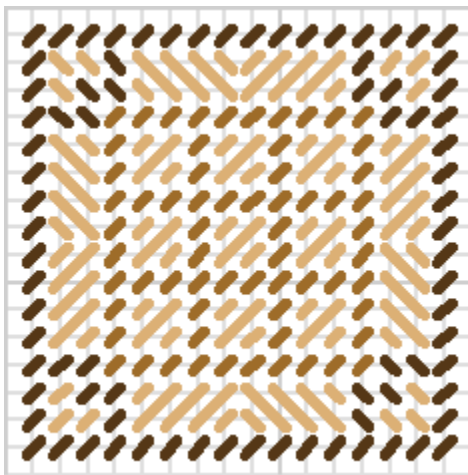

**Side pliers:** cut and stitch 2  
(17 by 17 holes)

**Side hammer and saw:** cut and stitch 2  
(17 by 17 holes)

**Top:** cut and stitch 1  
(17 by 17 holes)

**Bottom:** cut and stitch 1  
(17 by 17 holes)
