

A Free Plastic Canvas Pattern for Minecraft Furnace Block

By Stitchblockz

Materials:

- 1 or 2 sheets of 10-count plastic canvas
- Embroidery floss colors:
 - Black, dark gray, gray
 - Dark orange, orange

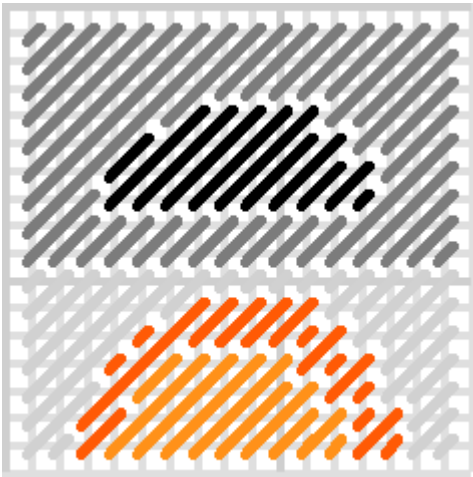

Instructions:

- Choose to make a lit or unlit furnace, or you can also put the lit on one and side unlit on the other, in order to have both and save stitching time.
- Cut out plastic canvas with 17 holes by 17 holes
- Stitch the 6 pieces following the diagram
- Use whipstitch the 4 sides together then the top and bottom pieces

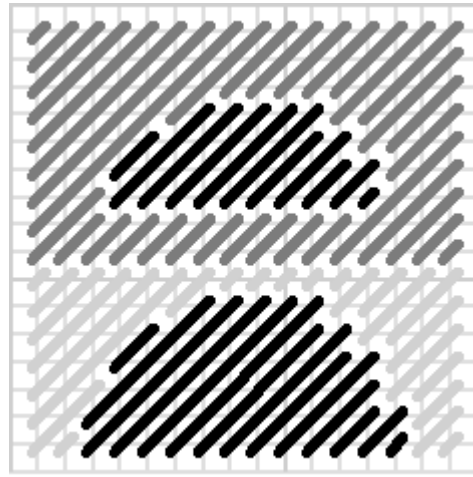

Note:

Instead of 10-count plastic canvas and embroidery floss, you can use 7-count plastic canvas and tapestry yarn. Tapestry yarn is available in small skeins.
